- Cut along the folds to make 4 squares.
- Fold each square into a smaller square by folding it half and then folding it on half again.

- With a grown-up's help, cut the edges into a rounded shape (like a raindrop).
- Open it up, look! You made flower petals!

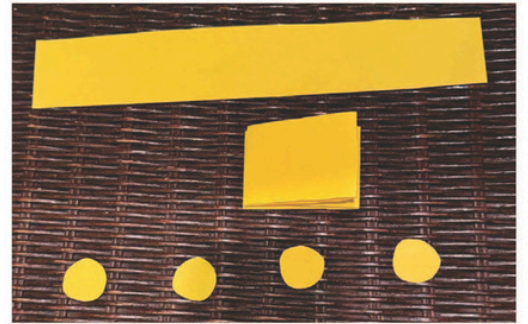

Repeat until you have 6-8 flowers in different colors!

## 2. Make the Flower Centers

- Cut more strips of paper about 1-2 inches wide.
- Fold and cut them into small squares.
- Cut each square into a circle.

Repeat until you have centers for every flower!

## 3. Make the Leaves
